

# Fuerste Bucks Catalogue

Fuerste Vaccination Services

Season 2022 – 2023

## Fuerste Bucks

Fuerste Bucks were created as our way of recognizing your hard work and great performance. The Leadership Team (including your Crew Leader) are provided with a monthly supply of Bucks which can be distributed to our hard-working Crew.

Some rules:

1. Fuerste Bucks can be given to anyone in the company but are not permitted to be kept to yourself if provided to you for distribution.
2. They cannot be photocopied – HR will know.
3. If lost, they cannot be replaced.

Collect these bucks over the season and you can “purchase” your favourite branded merchandise from this catalogue!

Once you have enough Fuerste Bucks to “buy” what you like, please contact the HR Manager at [hr@fuerstevaccinations.com](mailto:hr@fuerstevaccinations.com) and they will happily coordinate with you.

Any questions, HR is happy to answer them for you.

Happy Shopping!
